BUY A BRICK AND PAVE THE WAY TO HONOR THE FORGOTTEN CHILDREN OF
THE HEBREW CHARITABLE BURIAL GROUND – Malden, MA

JCAM’s memorial brick program provides an historic opportunity to symbolically mark and honor the name of child resting at the Hebrew Charitable Burial Ground in Malden. Of the more than 1,400 souls resting on that sacred burial ground (mostly under 5 years old)—only 150 of these have monuments. The rest are in unmarked graves. Help us to restore the dignity and memory of their lives by laying a brick memorial that will line the pathway of the second oldest Jewish cemetery in Massachusetts (1851).

Indicate the name you wish to memorialize (see list on our Web site) or indicate that you would prefer JCAM to choose a name for you. Fill out this form and enclose it with your tax-deductible donation payable to: JCAM Charitable Foundation, 189 Wells Ave., Newton Centre, MA 02459

You also may donate online at www.jcam.org.
